

POSITIVE PARENTING STRATEGIES - Safe Tech Use PARENTS BUILDING SOLUTIONS

Presented by Parentzone in collaboration with PRONIA

Tuesday, 20 January

Rob Dovey, our guest speaker, will discuss online gaming, and how this can lead to both grooming and gambling.

Tuesday, 17 February (repeat of 28th October session)

Kate Fitzpatrick, our guest speaker from the Australian Federal Police, will be back with us presenting the "ThinkUKnow" program which supports parents to understand online child exploitation and how to keep children safe online. Parents who attended the original session are welcome to come again.

Tuesday, 17 March

This session will focus on discussions about setting reasonable and appropriate boundaries around tech use at home, particularly with the new social media legislation in place.

NOTE: These parenting sessions are general in nature, and seek to create an environment where parents are learning from one another. We aim to equip parents with transferrable knowledge and skills, but the sessions may not address specific issues such as neurodiversity.
